The Earle store has on display begin-
ning yesterday morning, for one week
only, a large assortment of ladies' skirts
made up in the most approved styles and
from the very latest fabrics, such as fancy
stripes and plaids. They are of the very
best garments so that any lady wishing
something out of the common, no two
alike, can be suited. They ask your in-
spection, as such skirts are not to be
seen in this town very often.

An enjoyable party was held at the
home of Mr. and Mrs. Clement F. Smith
on Dorchester Heights last evening,
when the members of the Progressive
class of the Methodist Sunday school, of
which Mrs. Smith is the teacher, and
their wives were entertained. About
fifty were present and the occasion was
much enjoyed by all. Mr. and Mrs.
Smith received the hearty congratulations
of those present, as yesterday was the
birthday of Mrs. Smith and the pre-
vious day the 38th anniversary of the
marriage of the worthy couple. Re-
freshments were served.

Death of Mrs. Reba Bowles

Mr. and Mrs. H. L. Delano were called
to Sugar Hill, N. H., last Sunday after-
noon, by the critical condition of their
daughter, Mrs. Harold Bowles, who has
been in a very serious condition since the
birth of a daughter on Tuesday, Sept. 19.
A telephone message from Mr. Delano
last night stated that a specialist had
seen Mrs. Bowles yesterday and gave
them much encouragement, but this
morning a dispatch was received an-
nouncing her death. Funeral services
will be held from the Cong'l church in
Franconia at 10:30 Friday.

Mrs. Bowles was formerly Miss Reba
Delano of Elmore. Besides the husband
and parents, she is survived by three
brothers, Lewis, Howard and Nat Dela-
no of Elmore and one sister, Mrs. C. E.
Pierce of Fitzwilliam, N. H.

Infantile Paralysis Question

Owing to the case of infantile paralysis
in Elmore, a meeting of the Board of
Health of Morrisville was held, with
two of the local physicians and a few
citizens last Friday and the question of
closing the schools and other public
places was discussed. It was finally de-
cided to close the churches and local
theatatorium, but allow the schools to
continue, all of the five physicians of
Morrisville to be at the village schools
each morning for a period of two weeks
to examine every pupil with the under-
standing that the parents should have
the option of keeping their children at
home providing that they confine them
strictly to their own premises.

Monday morning only 44 per cent of
the children in the grades were present,
but today about 60 per cent were back
in school. Nearly the full attendance is
reported in the Academy. While the
merits of the examination as connected
with the infantile paralysis question is
open to discussion, there is no question
but what as a general proposition the
medical examination is a fine thing, al-
though more or less expensive.

C. F. Smith Sells Viele Farm

Clement F. Smith has sold his farm on
the Wolcott road, known as the Viele
farm, to George C. Young of Lenoxville,
P. Q., the deal having been closed and
papers signed yesterday. The consid-
eration was \$20,000 and possession will
be given October 1. Forty head of fancy
stock, five horses and all the farming
tools were included in the sale. Mr.
Smith bought the farm nearly two years
ago, since which time he has invested
several thousand dollars in repairs, new
buildings and equipment, until today it
is probably the best equipped farm in
Northern Vermont. The new machinery
cost \$2000, including a traction engine,
etc. A reservoir was built on a high ele-
vation behind the farm house, which pro-
vides the best of water and excellent fire
protection. The house has been thor-
oughly remodelled and an acetylene
gas lighting plant installed in the house
and barn. Clement would like to have
kept the place until his alfalfa demon-
strations of the meadow had been com-
pleted, but as Mr. Young has been con-
nected with the Dominion Experiment
farm, he has left the work in good hands.
In the deal Mr. Smith took a good
farm in Hardwick, known as the Russell
place, and his son-in-law, Roy Macomber,
will probably move there.

Post Office to Enforce Rules

Postmaster Gates has been notified
that all postoffice box rents must be paid
when due. These rents are due at the
beginning of each quarter. It has been
the custom to hold them open for thirty
days or more after they became due
which an inspector has pointed out as
entirely against the P. O. rules. On ac-
count of a call down from the Depart-
ment the local office will be obliged to
put all delinquents mail into general
delivery after box rents become due.
They also have orders not to write
money orders after 7 o'clock p. m.

Successful Librarians' Meeting

A successful meeting of the Franklin,
Grand Isle, and Lamoille County librar-
ians was held at the Morrisville Cen-
tennial library last Thursday, twenty-
two librarians and other library officials
being present from out of town. The
morning was given up to the carrying
out of the program as given in this
paper last week, those taking part being
Miss Fanny Fletcher, of Proctorsville;
Mrs. H. E. Straw, of Stowe and the Rev.
F. R. Keeler, of Wolcott. Through the
courtesy of the trustees of the local li-
brary, dinner was served in the vestry of
the Congregational church. The topics
of the afternoon were taken by Supt. C.
D. Howe, of Morrisville and Miss Evelyn
Lease, of Montpelier, Miss Rebecca W.
Wright, secretary of the free public library
commission, conducted a helpful round
table conference during the last period.
Interesting and helpful discussions fol-
lowed each paper. The several papers
showed careful preparation and the
meeting was most helpful and successful.
Miss Fanny M. Fletcher, a daughter of
Ex-Gov. Allen M. Fletcher, drove her own
car to Morrisville to attend the meeting.

will be considered. Plan to attend and
